

Curriculum Vitae (CV)

Majid Akrami, MD

Personal data:

First name: Majid

Family name: Akrami

Date of birth: 16 september, 1975

Marital status: Married

Phone: +98-711 36289236

+98-917 3116280

Post code: 7195774659

E-mail: akramimd@yahoo.com

Education:

Surgical oncology fellowship, 2014

Shiraz university of medical sciences,

Shiraz, Iran

National board of surgery, 2010

Shiraz University of Medical Sciences

Shiraz, Iran.

M.D., 2001

Yazd medical college, Yazd, Iran. 2001

Thesis:

General surgery

Utility of intrapleural contrast in the diagnosis of occult diaphragmatic injury in thoracoabdominal stab wounds, 2010

MD

Effects of anethum graveolens and garlic on lipid profile in hyperlipidemic patients, 2001

Faculty position

Associate professor of surgery, Surgical oncology fellowship, Department of Surgery, Shiraz University of Medical Sciences, Shiraz, Iran.

Honors and awards

Second rank, written national board exam of surgery, 2010.

Selected faculty member of Shiraz University of Medical Sciences in research 2015

Selected faculty member of Shiraz University of Medical Sciences in education 2019

Executive appointments

Member of Iranian national board of MD

Executive head of Breast Clinic, Shiraz University of Medical Sciences, Shiraz, Iran. Since 2012

Executive secretary of Shiraz International Surgical Oncology Congress (SISOC), 2017

Executive secretary of Shiraz International Surgical Oncology Congress (SISOC2), 2023

Committees and councils membership

Active member of Iranian Cancer Association since 2014

One of founders and faculty of Breast Diseases Research Center, Shiraz University of Medical Sciences, Shiraz, Iran. since 2011

Moderator of Shiraz tumor board (A weekly multidisciplinary oncology conference) since 2011

Trauma Research Center, Shiraz University of Medical Sciences, since 2006

Scientific secretary of the first and second international cancer surgery congress

Professional experiences

More than 1000 cancer surgeries every year

Head of HIPEC team in Faghihi hospital as one of the three centers in Iran with more than 50 CRS/HIPEC surgeries every Year

Expert in complex oncologic pelvic surgery (pelvic exenteration, etc)

Expert in complex soft tissue and head & neck oncologic surgery and reconstruction

Pioneer in isolated Limb perfusion for Melanoma treatment in Iran
